*42 Years of Great Music in a Great Space*

Since 1970 GraceMusic has presented early music, jazz, and modern and contemporary instrumental and vocal works. It is the longest-running concert series in Rockland, showcasing the work of international artists as well as local performers.

GraceMusic, based at Nyack's Grace Church, produces programs that feature music of all kinds, familiar favorites as well as new styles, sounds, and composers, performed by accomplished professional musicians, some of whom may well be your neighbors.

Past programs have featured *Anonymous 4*, the contemporary quartet "Ethel", cellists David Geber & Julia Lichten, British organist David Briggs, the Grace Church Choir, and the percussion ensemble *Talujo*.

## *We Need Friends!*

Admission fees do not cover the costs of GraceMusic concerts; a group of generous friends helps make them possible. As a Friend of GraceMusic, a donation of \$25 to \$99 makes you an official *Supporter*, \$100 to \$249 makes you a *Contributor*, and \$250 or more makes you a *Benefactor*. Supporters and Contributors receive an acknowledgement (or a memorial of your choosing) in our programs while, in addition, Benefactors get complimentary admission to each performance.
